Secretaries docket No 5273/A 74-94 dated the 2nd October 1902 requesting the undersigned to state when & what cost and from what funds the musafirkhana at Kadur was built how it was utilized and maintained till now and why its maintenance cannot be managed as heretofore, and subsequent reminder No 5427/A 74-94 dated 17th November 1902.

In reply I beg the honor to state that it will be observed from the Amildars report No 13-919 dated the 29th November 1902 that the year when the building in question was put up, the amount spent

spent on it, and the funds from which the same was constructed cannot be traced out. It appears, however, that the building was built by the villagers sometime before 1891-92 and had a thatched roofing, to replace which with a roofing of pot tiles and jungle wood rafters complete an Estimate for Rupees 180/ was submitted and the same was sanctioned from Local Funds General as her Government Proceedings No $\frac{6591-600}{2.451}$ dated 10th September 1891. This sum was spent during 1892-1893 and subsequent repairs amounting to Rs 91-11-10 from 1896-97 to 1900-01 were also effected from District Funds.

2. This building being on the high road from Shimoga to Nagar is very useful for the accomodation of travelling public and of all Government officers on circuit as there is no other place available for the purpose in the village which is nearly half a mile off. Although it was taken care of by the Patel and by the police on duty till now this is not a satisfactory arrangement.

3 The vernacular record ending with Amildar's

Amildar's ref no $\frac{135}{917}$ dated 27th November 1902 is herewith submitted for information and kind return.
